M. Wright (MW)      A. Sowden (AS)      D. Findlay (DF)  
 N. Dainton (ND)      M. Pearson (MP)

Also present: Wendy Jameson – Parish Clerk (WEJ), Cllr. J. Cook and 3 members of the public.

<b>1.</b>	<b>Apologies</b> None.	
<b>2.</b>	<b>Declarations of Interest</b> None.	
<b>3.</b>	<b>Exclusion of Press &amp; Public</b> None.	
<b>13.</b>	<p><b>Planning Applications</b>  <b>Plan No:</b> 2/2016/0727 <b>Proposed development:</b> Outline planning application with All Matters Reserved for 5 no dwellings <b>Location:</b> Land at Blitterlees, Silloth, Cumbria <b>Applicant:</b> Mr A. J. Markley</p> <p>Mrs Downham addressed the Council, explained her concerns and provided copies of the letter submitted to Allerdale in response to the application. Other residents have objected to Allerdale about the plans.</p> <p>The Parish Council discussed the planning application at length. The main concern is drainage. All of the houses along here are piped into the main sewer which is pumped to the Blitterlees pumping station and then to the Airfield which is already overloaded as it is, without additional demand on the system. After heavy rainfall, the road often floods due to the beck overflowing. Parts of the beck have not been cleaned out in over 40 years which contributes to the problem. The land is unsuitable for building on, as it is often under water during the wetter months of the year. Access and visibility are not good along this stretch of road, particularly as there is a blind bend towards the Beckfoot end of the road which is a concern. Visibility would need to be improved to ensure the safety of vehicles accessing the site. The plans are for 3-4 single storey dwellings and yet it mentions in the plans that they are for older people. Houses are very close together within the site. Allerdale are encouraging people to apply for 4-5 properties rather than just one property.</p> <p><i>RESOLVED that in view of the nature of the business about to be transacted, it was advisable in the public interest that the press and public be temporarily excluded and that were instructed to withdraw.</i></p> <p>After further discussion, it was <b>RESOLVED</b> that a letter of objection be sent to Allerdale Borough Council bringing up the concerns relating to access and visibility to the site, water, drainage and flooding. The Parish Council requests that a site meeting is held with representatives from Holme Low Parish Council and Silloth Town Council. The Parish Council also requests that the decision on the planning application is made by the Council's Development Panel, rather than by planning officers.</p> <p>Concerns were expressed about members of the public visiting Cllrs. individually prior to Council meetings which can often be late at night and is not convenient.</p>	<b>WEJ</b>
